The Guthrie Opportunity Center on Nutter Drive, a newly renovated 80,000-square-foot facility for Nelson County Industries, opened Nov. 12 with a reception and ribbon-cutting ceremony. The 90 employees at the center, who are developmentally disabled, used to work at the old Bardstown sewing factory, which had a leaky roof and was dimly lit. Communicare CEO Dan Simpson and Bardstown Mayor Dick Heaton cut the ribbon for the center. Simpson and Heaton played key roles in fundraising for the new facility
